

## Important Reminders

HR's [Course Catalog](#) lists numerous professional development opportunities (courses now available through **September**).

## Higher Education News

[‘U.S. News’ Changes Formula for Calculating Best Colleges](#) - Magazine will be removing factors including alumni giving, faculty with terminal degree, class size and high school standing. In their place, increased weighting will be given to a school's success in graduating students from different backgrounds.

[College Rankings Are In Trouble. Do Students Care?](#)

[Why I'm Excited About ChatGPT](#) - Here are 10 ways ChatGPT will be a boon to first-year writing instruction.

[Undergraduate Enrollment Stayed Steady This Spring. It's Still 1 Million Students Below Pre-Pandemic Levels.](#)

[University of Phoenix to Affiliate with University of Idaho](#) - After deal with Arkansas system breaks down, a new entity created by Idaho is poised to buy and manage the for-profit giant as a nonprofit university.

[The ROI Riddle](#) - Better data on graduates' earnings is coming soon to a dashboard near you. Will it make a difference?

[Colleges Race to Hire and Build Amid AI ‘Gold Rush’](#) - Cue the bulldozers to make room for hordes of new AI faculty. But computer scientists willing to teach are in short supply, and innovation's trajectory is rarely predictable.

[Non-Elite Colleges Should Consider Radical Steps to Improve Their Financial Future, Report Says](#) - Consultancy EY reports that non-elite colleges in the U.S. largely aren't making big enough moves to become financially stable in the face of declining enrollment, rising costs and wavering government funding.

[‘Enormous Surge’ in Unions Reflects Disconnect Between Colleges and Graduate Employees](#)

[Diversity Spending Is Banned in Florida's Public Colleges](#) - New law will prohibit public colleges in Florida from spending money on diversity, equity, and inclusion programs.

[How Diverse Are Student Populations on College Campuses in the U.S.?](#) - A look at race, ethnicity, and gender of students at 3,888 colleges in fall 2021.

[Statehouses' Targeting of Diversity and Tenure Is Starting to Scare Away Faculty Job Candidates](#)

[Why It's Time for Legacy College Admissions to Go](#)

[These 5 Charts Break Down Spring Enrollment Trends](#) - Although figures suggest enrollment losses are stabilizing, a deeper look reveals a more complicated picture.

[Admissions Offices, Cautiously, Start Using AI](#) - They are divided about what to do about ChatGPT, but that doesn't prevent some from embracing AI.

[Ransomware Threat Against Colleges Grows, Survey Finds](#) - Ransomware attacks targeted the education sector more than any other industry in the last year, with 79% of surveyed higher ed institutions across the world reporting being hit.

[Arizona State's Big Bet on Virtual Reality Labs](#) - University drops in-person labs in intro biology courses after an experiment that boosted inclusivity. But some question whether the technology can faithfully replicate scientific pursuits.

[Unionization Efforts Spread Through Higher Education As Colleges Double Down](#)

## **Ivy+ News**

[Donors Help Duke Add \\$100 Million to Undergraduate Financial Aid](#)

[Brown to Publicly Present Plans for Life Sciences Building, Athletics Practice Facility in June](#)

[NSF Awards \\$52M to Upgrade Simons Observatory in Chile to Explore Origins of Universe](#) (UChicago)

[Chicago Booth's PhD Program Receives \\$100 Million Gift in Celebration of Its 100th Anniversary](#) (UChicago)

## **Dartmouth News**

[Dartmouth's Energy Production: Where We've Come From and Where We Still Need to Go](#) - Since 2017, Dartmouth has committed to transitioning to a low-carbon future by making strategic investments in sustainable energy, but new science has led administrators to re-evaluate their goals and timelines.

[Campaign Achieves Two Major Milestones in Final Weeks](#) - Unprecedented \$500 million raised for student scholarships, future gifts.

[Inauguration of Sian Leah Beilock Set for Sept. 22](#) - President-elect will start work at Dartmouth on June 12.
