Dartmouth College Equipment/Asset Transfer Request Form

This request form must be completed whenever Dartmouth College equipment or other assets will be sold or otherwise transferred out of Dartmouth. If equipment/assets have a **value over \$5,000 or for which money will be received**, the transaction must be processed through the Office of Procurement Services; in this case, the signatures indicated below should be collected first, and then the completed form should be sent to Fixed.Assets@Dartmouth.EDU. A Bill of Sale will then be issued to the buyer/transferee to complete the sale/transfer as a legal mechanism for cost recovery and/or for items with zero cost transfer. Transfers that do not meet the above criteria (i.e., **<\$5,000 and no money will be received**) can be processed through the appropriate Dean's office, in consultation with the Office of Sponsored Projects (OSP), as required, if grant funded. Transfers will follow the process outlined in the Office of Sponsored Projects Capital Equipment Transfer Guidelines (<https://www.dartmouth.edu/osp/award-closeout/transfers/>) which only pertains to capital equipment purchased with sponsored project funds.
